## ATTENTION NON-PROFIT ORGANIZATIONS

*Hey Neighbor!* is a free service for non-profit organizations, civic groups and churches. It is intended to provide a means for you to communicate to your neighbors about upcoming events or needs your organization may have.

Please submit your notice in a Word document as an attachment or send it in an email to: [heyneighbor@cox.net](mailto:heyneighbor@cox.net). If you would like a schedule of upcoming issues of *Next Door Neighbors*, please visit: [www.WilliamsburgNeighbors.com](http://www.WilliamsburgNeighbors.com) and click on "Themes". Use the Advertising Deadline as your deadline for submitting your notice.

*Next Door Neighbors* edits the notices that appear in the magazine to fit as many in the space as possible. Notices are always listed by date. Some listings may not appear in the magazine due to limited space, but all notices are available for readers to review online. To read *Hey Neighbor!* online go to: [www.WilliamsburgNeighbors.com](http://www.WilliamsburgNeighbors.com) and click on "Hey Neighbor".

One banner ad (like the one below) is donated to a non-profit organization each month. It must be requested in advance. The banner ad is to be used to help create community awareness about an upcoming event that will help your organization. If you would like to reserve the banner space for an upcoming issue, please email Meredith Collins, Publisher, and request the month you would like. Email: [meredith.collinsgroup@cox.net](mailto:meredith.collinsgroup@cox.net).

# Why not share your talent with those who need it?

**Local non-profit organizations need people like you-**

talented, resourceful people who have retired

from a career or who have developed skills sets that are useful and necessary in many non-profit organizations. What's more, you may *have the time* to assist any one of almost 100 non-profit organizations that need your help.

**VolunteerWilliamsburg.org** is a website that is designed to help you find volunteer opportunities in the Williamsburg area that will harness your capabilities and prove to be interesting and rewarding for you. Similarly, it provides an ideal way for non-profit organizations to find the talented

people they need to help them with operational needs. With tightening budgets due to the soft economy, this is more important than ever before.

## It's easy to get involved!

Simply go to [www.VolunteerWilliamsburg.org](http://www.VolunteerWilliamsburg.org) and follow the three easy steps: 1. Search (for volunteer opportunities that match your skill set) 2. Connect (with the organization in need of volunteers) 3. Volunteer with the organization!
